

★ ★ ★ The theatre Omaha built

Show your support for live, local theatre by putting your custom message on a brick in the Omaha Community Playhouse's Owen Lobby. These bricks are visibly positioned in the floor around the perimeter of the lobby space. OCP is pleased to be formally re-opening this brick campaign for the first time in seven years after receiving many inquiries.

Your contribution of **\$1,000** grows OCP's endowment which in turn grows operating funds to support season productions, education and professional touring at OCP.

Bricks will be installed in groups of 10. A delay is possible in the duration of form completion and brick visibility. Payment may be made when your form is turned in, or check the box to have us contact you for payment when installation is ready.
