See Three Amazing Plays in London!

After five successful London theatre tours, plans are well underway for the annual Omaha Community Playhouse London Theatre Tour, February 13-18, 2008. Several of our fifth year participants were repeat travelers in 2007 and we expect that to be true again in 2008. We invite you to join us for our sixth year. The tour includes three great plays - all titles to be announced later. We'll start you off the first night with a great performance in London's famous theatre district. On Friday evening, we'll enjoy our second London theatre experience.

One of the highlights each year remains the backstage tour prior to our final night of theatre at the Royal National Theatre. And then, you'll have a fun-filled evening at one of London's classic fish and chips restaurants on the final night in the city. Our London hotel has easy access to the "tube" and bus stops. During the days, you are free to experience the sights and sounds of London or take side trips out of the city at your leisure. We are committed to an affordable tour price, including a \$100 contribution in support of the Omaha Community Playhouse. The 2008 price is \$1699 including air, hotel, bus to hotel/airport, London Travel Card, three theatre productions, backstage tour, fish and chips dinner and the Playhouse contribution.

Rick Scott joins as a co-host once we are in London. In addition to his previous work at the Omaha Community Playhouse/Nebraska Theatre Caravan, Rick has served as the U.S. Liaison for the Royal National Theatre since 1986 and is currently the Head of Artist Liaison for Comic Relief in the UK.

We encourage you to join us for our next London tour. Several people are already committed to return again. We're saving a seat just for you!
